

Hopefully you will find this site interesting and informative about the many activities Whitstable Rotary are involved in throughout the year - both locally and internationally. Our What's On and Events pages give basic information on current events for this Rotary year.

Rotary's vision: Together, we see a world where people unite and take action to create lasting change — across the globe, in our communities, and in ourselves.

Our Next Meeting (Speaker) on the 23/04/24 will be at the Crescent Turner Hotel at 6.15pm.

Our Speaker will be Father Peter Geldard giving an interesting and hilarious talk on aviation - and his life in the military

More information on events or meetings can be found on **FUTURE Events or WHATS ON.**
Please note we meet at the CTH every Tuesday
